

\$400 EARLY BREEDERS' CUP FOAL NOMINATION DEADLINE CLOSES AUGUST 1

Only Early Nominated Foals are Eligible for Inclusion of Breeders' Cup Nominated Engagement on Catalog Page for Fall or Winter Breeding Stock Sales

LEXINGTON, Ky. (July 25, 2024) — Breeders' Cup Limited issued a reminder today that Thursday, Aug. 1 at 11:59 p.m. ET is the deadline to nominate foals born in 2024 to the Breeders' Cup program at the one-time nomination fee of \$400 USD. Any foal being entered in a fall or winter breeding stock sale must be nominated by this deadline for **inclusion of the Breeders' Cup Nominated engagement on the catalog page.**

The \$400 weanling nomination entitles each foal with lifetime eligibility to the Breeders' Cup World Championships and the Breeders' Cup racing programs. All foals sired by a fully nominated North American Breeders' Cup stallion are eligible for nomination to the Breeders' Cup program in their year of birth at the weanling rate.

If sales foals are not nominated by the Aug. 1 early deadline, foal nominations may still be made in the foal's year of birth with a one-time payment of a \$400 USD nomination fee if made on or before Oct. 15, 2024. That is the final deadline for a \$400 lifetime eligibility nomination payment.

Thoroughbred racing's most significant international festival for more than 40 years, Breeders' Cup Limited has allocated purses and awards of more than \$1 billion to owners, foal nominators, and stallion nominators through its programs, including the annual Breeders' Cup World Championships showcasing the best Thoroughbreds, owners, trainers, and jockeys to a global audience.

Breeders' Cup foal nominators will earn \$10,000 USD for every victory in the worldwide Breeders' Cup Challenge Series: Win and You're In, and **every** horse that starts in a Breeders' Cup World Championship race will earn a nominator award. The individual nominating the foal receives these nominator awards even though the horse may change hands throughout its racing career.
